

GALA QUILT GUILD 2023

UFO MONTHLY CHALLENGE

This year you are being challenged to finish some of your UFO's.

What is a UFO?

- Any quilt related project or kit that you have started or have in your possession by March 2022.
- These are YOUR projects, not things that you are making for others for pay.
- A quilt must at least need a binding and a label to be considered a UFO.

Do I have to make an entire quilt in one month?

- No, if it's a large project, it can be broken down into segments, one for each month.
- If you are hand quilting a quilt yourself – break it down into doable parts. Show in the details on your list how much you plan to do each month.
- Choose projects that have been started (but unfinished) or projects that need to be started.
- The idea is to have some fun, keep the rules simple, and hopefully at the end of the year have fewer UFO's.

So, what do you need to do?

- **Sign up by the February meeting** by
 - Completing the list of the 6 projects that you are planning to work on (be sure to make a copy for yourself).
 - Turn in your list to Juanita Christian along with 2 FAT QUARTERS entry fee.
 - Each person who signs up will be entered into a drawing for the fat quarters.
- At the business meetings in **March, April, May, September, October, and November**, during Show and Tell, show what you have finished from your list that month.
- If you **do not** complete what is detailed on your list, you will owe ONE FAT QUARTER – give to Juanita.
- If you **do** finish what is detailed on your list, your name will be entered into the drawing which will occur at the end of the Challenge in December.
- If you are **not at the meeting** for Show and Tell, you owe a fat quarter – UNLESS you send it by text to Juanita, email a completed picture to Juanita, or you have a friend bring in your completed project.
- **At the December meeting, a winner will be drawn to receive ALL OF THE FAT QUARTERS THAT HAVE BEEN COLLECTED!**
